

VFIT

VFIT NFT

VFIT

# INTRODUCTION

VFIT NFT is a unique collection of 5000 NFT's that are linked to our coaching APP, VFIT

It allows holders to earn revenue from 2 different channels

The collection can be purchased using USDC, ETH and BNB, in the initial pre launch phase

VFIT NFT create a product around Health, Fitness and Wellness that brings a community of like-minded individuals together

Through our NFT's, APP and additional products linked to this brand we will help friends, family and colleagues get control of their Health and Fitness

# EARNING POTENTIAL

## Return Rate

The revenue from each individual NFT collection will be pooled into our investment tracker giving returns of between 5% - 10%, depending on the NFT purchased

## Referral Income

You will get exclusive access to a higher return of referral % to our coaching app, VentureFIT with each referral you generate gaining you 40%-70% referral fee on the subscription plan purchased

## VIP Access

VIP Access to future launch and products
